Flagler Cooperative Association Scholarship Rules

Flagler Cooperative Association will award up to $4,000 in total scholarship funds to graduating high school seniors and/or currently enrolled college students. Scholarship funds may be distributed among one or more recipients at the discretion of the Board of Directors.

These scholarships may be awarded to students planning to attend any accredited college, university, junior/community college, or vocational, technical, or trade school in the upcoming fall semester.

Applicants must complete the scholarship application, including essay questions, to be considered.

The scholarship applications will be reviewed by the Board of Directors, and recipient(s) will be selected based on academic achievement, community involvement, leadership, and quality of application responses.

This is a one-time scholarship and is not renewable. Previous recipients are not eligible to receive the scholarship again. Recipients must enroll as full-time students for the upcoming fall semester and provide proof of enrollment prior to receiving scholarship funds. Upon verification of enrollment, Flagler Cooperative Association will issue payment to each recipient.

Eligibility and Application Requirements

- The applicant's parent or legal guardian must be either a current member or employee of Flagler Cooperative Association.
